

Thank you so much for signing up to trade at our market. Here are some commonly asked questions to help with your day.

The Southsea Girls x The Hideaway market runs the 2nd Saturday of each month (with some exceptions) between the hours of 10am and 3pm.

The aim of the market is to empower and support women from Portsmouth in business. We aim to have a balance of traders with a range of different products to encourage people to shop locally and create a lively atmosphere.

FAQ:

1. When can we set up?

You're able to set up from 9am the morning of the market, or if you would prefer to set up the night before, you can do so, but please be mindful you are responsible for leaving your belongings overnight. Your insurance must cover your own stock and it is not Southsea Girls or The Hideaway's responsibility for any loss or damage. Tables will be setup for your arrival, and can be claimed on a first come first served basis.

2. Where can we unload/park?

You can unload in Hellyer Road and use the side door. There is the option to park down any of the surrounding roads, but double check the road signs for any permits. The roads to the side of the venue are normally ok until 6pm.

3. How many other traders from the same category will there be?

We will only have one of each business category trading at any one market. Should have any last minute availability, then it will be the organisers decision to double up.

4. Do I need any licences?

The producer and stallholder on the day of the market is responsible for complying with all local and national laws and regulations regarding the production, labelling, display, storage, and sale of goods, including complying with any relevant trading standard legislation and Environmental Health and Health and Safety requirements. Photocopies of your public liability insurance must accompany your application and be re-sent upon renewal of your policy each year.

5. Will a table be provided?

Yes, one standard 6ft table will be provided. However, you are welcome to bring your own, please just let us know before the day. You will need to provide your own table cover.

6. When can I pack away?

No stallholders are allowed to pack away before 3pm (when the market finishes). All belongings must be cleared and tables put away by 4pm. You must use the bin provided for any rubbish.

7. When is payment due?

Payment must be made once your table has been confirmed. If you have not paid by the due date, then your booking may be cancelled and your space offered to another stallholder.
